## Parental Consent Form for Unaccompanied Minors

*As excerpted below from our full Calfurry Code of Conduct (which must be agreed to by all attendees of Calfurry and related Calfurry events), we ask that parents and/or legal guardians of those aged 16 or 17 at the time of the event dates complete this form, granting permission for a minor to attend without parental or guardian supervision.*

### 5. Minors & Unaccompanied Minors

Any attendee under the age of eighteen in Alberta at the time of their registration shall be considered a minor. Minors who have registered prior to the event and become of legal age can have their status updated at registration services on or after their eighteenth birthday.

- Any attendee under the age of sixteen must have a guardian or parent present with them at all times in any convention-controlled spaces.
- Minors aged sixteen & seventeen require the consent of a parent or guardian to register,
  - Consent may be issued in person with contact information by the parent or guardian with no further attendance required, or
  - in writing with contact information at the time of registration.
  - Please see the **Parental Consent Form** available on our website.
- Minors are welcome in all non-adult events, panels, and convention spaces prior to 10pm.
- Between 10pm and 6am most convention spaces will be restricted to adults.
  - Minors will be disallowed entry, politely asked to leave if found in restricted areas, and ultimately removed by Calfurry Staff.
- Adult attendees in age restricted spaces are expected to notify Calfurry Staff if they are aware of minors present in the space.
